

WORLD CHURCH VISION STATEMENT

We believe the future belongs to God and that the promise of God's kingdom shall be fulfilled. We have a vision

of that kingdom, where the name of Jesus Christ is truly honored, where God's will is done on earth, where the

hungry are fed, poverty is alleviated, sinners are repentant, and sin is forgiven. We believe that love is the proper

foundation of our relationship with others, that opportunity to grow in the likeness of Christ should be fostered,

and that resources of the world can be managed to respect and preserve their creation and purpose. We have a

vision of a time when all evil is overcome and peace prevails.

Impelled by this vision, we will be an international community of prophetic vision, faithful to the risen Christ,

empowered by hope, spending ourselves courageously in the pursuit of peace and justice.

WORLD CHURCH MISSION STATEMENT

We proclaim Jesus Christ and promote communities of Joy, Hope, Love and Peace. We are the body of Christ.

His Spirit leads us to proclaim the gospel. The purpose of the Community of Christ is to help families and

congregations develop the likeness of Christ in each person. Such congregations seek to continue Christ's

ministries. We embrace an unconditional love for all and seek with them a faithful relationship with God. Our

congregations thus become witnesses to God's redeeming presence in the world.

Led by continuing prophetic direction, we affirm truth, embrace all persons as being of inherent worth, and teach

a life of stewardship. We invite everyone to join us in seeking a life reconciled with God, who brings assurance to

today and hope for tomorrow.

UNIVERSITY COMMUNITY OF CHRIST VISION STATEMENT

University Community of Christ will engage in activities which help increase faith in God, enhance family life, and

extend the hand of fellowship and witness of Jesus Christ to all people in our community.
